**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition. And if you have any interest in competition, you should too.

I choose a small, local, independently owned and operated ISP for a reason. By cowing to USTelecom, you make things worse for people like me who want choice, and businesses like my broadband provider, which is not a rich multinational that is interested only in transferring wealth into the fewest hands possible.
